**DEADLINE FOR OFFICIAL/UNOFFICIAL/PERSONAL NOTICES IS WEDNESDAY, 9 A.M.**

## **OFFICIAL**

**FLAGS AT HALF-STAFF:** The flags of the United States will fly at half-staff at the Kennedy Space Center on March 12 in honor of Ms. Jane A. Eitel, a Secretary in the Safety and Mission Assurance Directorate, NASA. Ms. Eitel died on October 30, and her memorial service will be March 12. (TA-G)

**PRINTING/COPYING PAPER USERS:** The NASA HQ Code JT has set a goal for each center to reduce the annual use of paper stocks by 10 percent. Suggestions on how to accomplish this goal are printing on both sides of the paper; circulating, posting, and publishing memoranda and other information using email, bulletin boards, routing slips, newsletters; and distributing documents in electronic format via file servers or home pages to avoid making copies on office copiers. Your support in implementing these suggestions will help meet KSC's paper reduction goal. (IT-D1)

**NPG 7120.5A PR CERTIFICATION:** Effective March 26, 1999, NASA policy requires all Procurement Requests (PR's) to be accompanied by a certification stating either that the purchase request action "**is**" or "**is not**" in support of the programs and projects subject to the requirements of NASA Procedures and Guidelines (NPG) 7120.5A, NASA Program and Project Management Processes and Requirement. If the action is in support of a program or project that is subject to the NPG, the certification must then indicate whether: a) all NPG 7120.5A documentation is current and approved, or b) authority to release the solicitation without the required documentation has been granted. An acceptable certification format is located immediately under the internal KSC OP Procurement Home Page header at: <http://www-op.ksc.nasa.gov/procurement/op.htm>. PR's not accompanied by the required certification will not be processed in the Procurement Office until such certification is received. (OP-AM)

**UNAUTHORIZED COMMITMENTS AND RATIFICATIONS:** An unauthorized commitment is an agreement between the Government and a contractor that is not binding; solely, because the Government representative who made it lacked the authority to enter into that **UNAUTHORIZED** agreement on behalf of the Government. Ratification is the act of approving an unauthorized commitment by an official who has the authority to do so. Unauthorized commitments are strongly discouraged and can indicate serious employee misconduct. Individuals making unauthorized commitments may be subject to disciplinary action, and the issue may be referred to the Office of the Inspector General. Only Contracting Officers acting within the limits of their delegated authority are authorized to commit the Government. If you are unsure of your authority, before directing a contractor to take any action, call your project control office, or the Procurement Office at 867-7217, for assistance. (OP-AM)

**VOLUNTARY LEAVE TRANSFER PROGRAM:** The leave transfer program is one of the most popular benefits. To qualify for this program, an employee must establish the existence of a medical emergency (for self or family members) which is expected to result in a requirement for at least 3 days of leave without pay, after the use of existing annual and/or sick leave (earned, not advanced). Leave transfer requests must include documentation from a physician on the medical condition and an estimate of the employee's projected length of absence. If an employee wishes his/her participation in the program announced in the KSC Bulletin, or within his/her organization, he/she may include such a statement in the letter of request. Affected employees would normally initiate requests for a declaration of a medical emergency through supervisory channels; however, if they are unable to do so, their supervisor, family members, or co-workers may initiate the request. Employees wishing to donate leave may do so, subject to certain restrictions. Only earned annual (or restored) leave may be donated, and total donations of leave may not exceed one half of that which would be earned in the remainder of the current leave year. Employees wishing to donate leave are strongly encouraged to donate at least 8 hours at a time, since the effort involved in processing leave transfers is significant. Leave donor forms are available in the BA-B Office and in most Administrative Offices. Donations of leave should be sent directly to BA-B, Room 2507, Headquarters Building. Requests for leave transfer are treated as confidential, unless the employee states otherwise. The names of donors are anonymous and will not be released except as needed to process the donation. If you have questions about the program stop by the Personnel Office Operations Branch, HQ, Room 2507. (BA-B)

**RETIREMENT:** Individuals contemplating retirement should contact Kathleen Ellis at 867-2002 or Lisa Fowler at 867-1883, Retirement Counselors, Personnel Office Benefits Team, for an appointment at least 30 days prior to their projected retirement date. (BA-B)

**CONTINUING PERIODIC KSC BULLETIN NOTICES:** Organizations and/or individuals submitting KSC Bulletin notices to be run on a continuing periodic basis are reminded it is their responsibility to delete obsolete notices and/or update notices for changes to names, organizations, dates, regulation references, etc. (TA-E1)

**KSC LOCATOR:** Personnel at KSC are reminded, when submitting KSC Form 13-58 (Employee Locator Information) to KSC-Locator, to verify all information including the telephone directory information block. Monthly updates to the Locator printouts should be complete. This includes the "Telephone Directory" column. The letter "T" in this column indicates that the name appears in the telephone directory. Home phone numbers will not be printed in the telephone directory. (TA-E1)

**USE OF MULTICOLOR OFFSET PRINTING, COLOR COPIERS, AND COLOR PRINTERS:** Managers and employees are reminded that all color printing/copying must be in accordance with NPG 1490.5A. The NPG states that offset printing in two or more colors is prohibited for work in which additional colors provide no demonstrable value, but are used primarily for decorative effect. The unnecessary use of color products costs the government additional money without additional benefit. The NASA Inspector General has reviewed various agency products and determined that color products have increased significantly. Managers at all centers are to ensure requests for multicolor printing and color copying are only made when the use of multiple colors adds demonstrable value, not just cosmetic appeal, to the product. For more information, contact the KSC Printing Office, 867-8510. (TA-E1)

**SHUTTLE BUS CAUTION:** Passengers exiting and crossing in front of Shuttle Buses are in danger of being struck by oncoming vehicles passing the stopped Shuttle Buses. Passengers are cautioned to be alert for oncoming traffic, and vehicle operators should use extreme caution when passing stopped Shuttle Buses and yield to pedestrians. (TA-E1)

**OFFICIAL NASA/KSC U.S. MAIL:** When sending official NASA/KSC U.S. Mail using NASA envelopes or mailing labels, the return address must contain the mail code of the sender. Mail couriers will reject mail which does not contain a return address. (TA-E1)

**BANK OF AMERICA GOVERNMENT TRAVEL CARD USERS:** All NASA employees at Kennedy Space Center who have been issued a Bank of America Government Travel Card are reminded that the card and the account are to be used for official travel and travel related expenses while on TDY. Employees are expected to pay the balance in full each month. Delinquent charges or personal use of the card are cause for cancellation. If you have any questions, please call the KSC Bank of America Agency Program Coordinator at 867-2860. (TA-E1)

**FEDERALLY EMPLOYED WOMEN SCHOLARSHIPS:** Each year, the Federally Employed Women Space Coast Chapter award scholarships for dependents of KSC employees who are either a graduating senior in high school or already enrolled in college as an undergraduate student. Last year, the Chapter sponsored eight students to help defray the cost of college necessities. Each scholarship ranged from \$500 to \$1,000. The call is out for this year. The Chapter is accepting applications until March 25, 2005. The winners will be notified no later than April 30, 2005. You can obtain an application by contacting Betty Valentine/**UB-I-3/Elizabeth.Valentine-1@nasa.gov** or call 861-2016. (VA)

**ENVIRONMENTAL & ENERGY AWARENESS WEEK (EEAW) CAR SHOW - 4/20 & 4/21:** EEAW would like to display cars and trucks from the past 35 years at this year's 35th Anniversary of Environmental & Energy Awareness Week celebration. We are looking for employee's that drive alternative fuel vehicles to display them during the week of April 18th. You have the real world experience of how your car drives; how much fuel you are saving each week; the true experience of your hybrid, electric, CNG, Propane, diesel or even grease vehicle. The displays will be at the O&C Building (front parking lot) on April 20 and in the VAB Parking Lot E on April 21, 2005. You can sign up for both or either locations to display your vehicle. Volunteers will need to have their manager's permission to be on site during the display. If you can not be present during the display, but still would like to display your vehicle that will be allowed. We would like to display as many new technology vehicles as possible; i.e., hybrids, electric, bio-diesel, grease, alternative fuel vehicles that are helping the environment. We are also looking for those vehicles that depict how we have improved through the years. Example: Mustang Mac1 vs. today's Mustang, old hybrid vs. new hybrids, older models of today's new version. Join us by participating in this year's celebration displaying your vehicle! If you're interested, please contact Bruce Chesson, NASA Transportation, at 867-8635. (TA-C3)

**ENVIRONMENTAL & ENERGY AWARENESS WEEK CAR SHOW - 4/20 & 4/21:** Check out the alternative fueled vehicles on display at the Environmental & Energy Awareness Week activities on April 20 & 21. You will see electric low speed vehicles, compressed natural gas and the home "Phill" unit, bi-fuel vehicles (which consists of natural gas and unleaded fuel), flex fuel vehicles (which consists of unleaded and ethanol), hybrids (which is unleaded and electric), and some grease vehicles (which operates on used grease or cooking oils). Global Electric Motorcars LLC and e-ride Industries will be here along with employees who have signed up to display their vehicles and share their real world experiences with you, educating you about alternative fuels and how everyone can help preserve the environment. We are looking forward to your presence at the EEAW event. Watch for future articles and join in the fun! Checkout our website for <http://eeaw.ksc.nasa.gov/>

#### **KSC/CCAFS HEALTH EDUCATION & WELLNESS PROGRAM:**

Website: <http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmcd/home/index.cfm?page=hew>

#### **March 2005 Mental Health Month**

The topics for Mental Health Month 2005 are building healthy relationships and suicide prevention. Building and maintaining healthy relationships is critical to our social support for both mental health and physical health. Suicide prevention is an important area to gain knowledge in that you may be able to prevent a suicide attempt by knowing the signs of suicidal person. Both packets are available on the HEWP website:

<http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmcd/home/index.cfm?page=hew#MonthlyTopic>

Hardcopies of the packets will also be available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414.

#### **\*\*HEALTH EDUCATION INFORMATION TABLE\*\***

The monthly health education table will be set up in the MFF cafeteria on March 17<sup>th</sup> from 11:00 am to 1:00 pm where HEWP staff will distribute mental health information.

#### **\*NEW\* NUTRITION EDUCATION FOR WORKERS AT THE SPACEPORT (N.E.W.S.) PROGRAM**

The N.E.W.S. program was created to educate workers at the spaceport about nutrition. The program includes a comprehensive website with an e-mail mechanism to ask nutrition questions, monthly lectures, and special events. Check out the NEWS website at <http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmcd/home/index.cfm?page=NEWSProgram>

**MARCH N.E.W.S. PROGRAM WORKSHOP:** The third nutrition workshop for the newly developed N.E.W.S. (Nutrition Education for Workers at the Spaceport) program will be on **Carbohydrates: CARB is not a 4-letter word** and will be held on Wednesday, March 23<sup>rd</sup> from 11:30 am. to 12:30 pm. in the O&C, Room 1055.

N.E.W.S. program workshops will be held the 4<sup>th</sup> Wednesday of each month (with the exception of November & December) from 11:30 am-12:30 pm with alternating locations between the O&C (KSC Industrial Area) and OSB (KSC Launch Area) buildings. See the NEWS website for the entire year schedule.

#### **STRESS MANAGEMENT WORKSHOP**

Any employee group can request delivery (at any time of the year, during the workday) of a newly developed, interactive workshop designed to teach employees how to handle stress at their workplace and in their lives. The workshop can be condensed to 30 minutes or extended to more than an hour for optimizing coping and relaxation skills.

Kris Calderon, PhD, CHES, BCIA, KSC/CCAFS Health Education Administrator will be offering this workshop. Kris is certified in biofeedback and has used relaxation training for stress management in her teaching, service, and research. If interested, please contact her at 867-3414 or e-mail at [Kristine.Calderon@jbsc.ksc.nasa.gov](mailto:Kristine.Calderon@jbsc.ksc.nasa.gov) for more information. The workshop can be delivered in any worksite setting.

**MARCH VISION SCREENING SCHEDULE:** No appointment is necessary. Visit the OHF during this time and ask for a vision screening.

Tuesday	March 15	11:00 am-1:00 pm
Tuesday	March 29	11:00 am-1:00 pm

#### **COLORECTAL CANCER SCREENING**

Small amounts of blood in your stool, which can be detected with hemoccult slides, can be an indication of colorectal cancer. Hemoccult slides and instructions are available at all medical facilities during hours of operation.

#### **WORKSITE LECTURES**

Work-site lectures on any health subject and requests for health information or counseling are available upon request to Kris Calderon, phone: 867-3414, e-mail: [Kristine.Calderon@jbsc.ksc.nasa.gov](mailto:Kristine.Calderon@jbsc.ksc.nasa.gov). (TA-C2)

All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Force Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 am to 4:00 pm. Appointments may be made by calling 867-7398. (TA-C2)

**KSC LIBRARY:** A new document, NSTS-60542, "Safety and Reliability Requirements for Space Shuttle Cargo Integration Hardware", has arrived at KSC for distribution. If you are interested in getting on distribution for this document and future updates, please contact the KSC Library in writing at Mailcode: Library-D or by e-mail: [KSCLibrary@jbsc.ksc.nasa.gov](mailto:KSCLibrary@jbsc.ksc.nasa.gov). **KSC TOASTMASTERS:** Space Center employees are constantly in the public eye and in situations which require them to represent the United States Space Program. Employees are encouraged to develop their communication and leadership skills to meet this challenge. Toastmasters International is a professional, multi-level training program for both beginning and advanced education in the critical skills of "listening, thinking, and speaking"—all important tools in both the work environment and your personal lives. NASA has recognized this by reimbursing civil servants for the cost of training. For more information on the Toastmasters organizations and the three different locations/dates for training sessions at KSC and CCAFS, contact Mike Schnoke, Jack Jamba, Bill Cleaver, or Nona Mamaradlo at 784-7502.

**KARS:** KARS Ceramics, Art and Craft Club meets at KARS Park I. Come join us and learn a new craft. Open to all KSC workers and families. Club meets at 7:30 pm, first Thursday of each month. For more information, call Geri Bloomquist, 783-0403.

CI Travel: CI Travel will no longer be distributing the monthly Newsletter. It will, however, be available in the bin outside of CI Travel in the Headquarters Building or by e-mail [JGIGLIOTTI@CITRAVEL.COM](mailto:JGIGLIOTTI@CITRAVEL.COM)

BEGINNING BIRD WATCHING TOURS MARCH 2005: Travel around Merritt Island National Wildlife Refuge with a trained U.S. Fish and Wildlife Service volunteer to learn how to identify the many birds that frequent the refuge. All tours are free and leave from the refuge visitor center at 9:00 am. and last for approximately three to four hours. No reservations are required. Seating for the refuge 12 passenger van is on a first-come, first-served basis. Extra participants can follow in their own vehicle with a loaner hand-held radio to listen to the tour narration. Please sign in at the visitor center desk upon arrival. Suggested items to bring include binoculars, camera, field guides, bug repellent, water and a snack. Loaner binoculars are available.

There is one tour daily that leaves at 9:00 am on the following dates:

Thursdays: March 17th, 24th & 31st.

Saturdays: March 12th, 19th & 26th.

Sundays: March 13th, & 20th.

Please meet at the Refuge Visitor Center and sign in at the desk. The Visitor Center is located on SR 402, 5 miles east of U.S. 1 in Titusville. Call 321-861-0667/0668 for more information.

COLORS OF NATURE, MERRITT ISLAND NATIONAL WILDLIFE REFUGE: The richness and beauty of the Merritt Island National Wildlife Refuge can be viewed in a new series of paintings presented by the Central Florida Plein Air Artists (CFPAA). The upcoming exhibition, "Colors of Nature, Merritt Island National Wildlife Refuge", showcases works in oils, acrylics, watercolors, and pastels, painted on site within the refuge. The show will be held March 12 to April 29, 2005 at the Merritt Island National Wildlife Refuge Visitor Information Center, State Rd. 402 (5 miles east of US 1) in Titusville, Florida. Exhibit hours are Monday-Friday, 8:00 am. to 4:30 pm., weekends 9:00 am.-5:00 pm. (Visitor Center is closed on Sundays in April) A reception will be held on Saturday, March 12, 2005 1:00 pm. to 4:00 pm. The artists will be giving outdoor (plein air) painting demonstrations. Refreshments will be served. Everyone is welcome.

For three months members of Central Florida Plein Air Artists have been recording the wonders of the refuge. The artists have interacted with the environment in all weather conditions to capture the constantly changing light and shadows, colors, cloud formations, birds and wildlife, vistas and waterways. From sunrise to sunset the public has had an opportunity to view the artists at work. Now these paintings will be on display at the Visitors Center.

CFPAA is dedicated to presenting and recording, through their paintings, Florida's fast disappearing natural environment. The artists meet at least once a week to paint in various locations throughout Central Florida. The artists also join other plein air painters in Florida and across the nation whenever possible. Artists are welcome to join in these paintouts.

**UNIVERSITY OF FLORIDA OEM PROGRAM:** The University of Florida will again offer its Outreach Engineering Management Program (OEM) in Cape Canaveral, with the next program beginning in August 2005. OEM is an engineering management Master's degree program featuring live instruction in a convenient format designed for working professionals. The degree program is a collaboration of UF's Colleges of Engineering and Business, and awards a Master's degree in engineering after 20 months of study. Classes meet only one weekend per month (all day Saturday and Sunday). A newly instituted concurrent degree option makes also getting an MBA degree possible with only 12 more months of coursework. Public information sessions will be held in Melbourne and Cape Canaveral on March 15th and March 16th, respectively. Both sessions will be from 5:30-8:00 pm with a formal presentation beginning at 6:30 pm. For more information, visit the OEM website (**<http://www.ise.ufl.edu/oemp>**) or contact the OEM program office (1-800-321-0199; **[engrman@ise.ufl.edu](mailto:engrman@ise.ufl.edu)**).
